

## SCHEDULE OF ISSUE COST DEDUCTIONS FOR FUTURE YEARS

### Tax Reporting Information for Maple Leaf Energy Income Limited Partnerships

#### UNAMORTIZED BALANCE OF ISSUE COSTS AVAILABLE FOR DEDUCTION IN FUTURE YEARS

Limited partners of record at the date of dissolution of the Partnerships are entitled to claim a deduction on subsequent years income tax returns in respect of the unamortized balance of issue costs incurred by the Partnerships.

If the Partnership you invested in has not been dissolved, these deductions will be included in your tax slip as indicated below. To determine the total deduction available in the year, multiply the deduction per unit amount as outlined below for the respective taxation year by the number of corresponding partnership units you owned immediately before the dissolution.

- You should report the total amount available for deduction on line 232 – “Other deductions”, on page 3 of the T1 General Income Tax and Benefit Return.
- For Québec residents only, you should report the total amount available for deduction on line 250 – “Other deductions”, on page 2 of the Québec Income Tax Return.

**Please retain this schedule for use in preparing your individual income tax return in future taxation years.**

**No additional information/reminder will be mailed to you with respect to these deductions.**
