You are buying Exempt Market Securities

They are called *exempt market securities* because two parts of securities law do not apply to them. If an issuer wants to sell *exempt market securities* to you:

- the issuer does not have to give you a prospectus (a document that describes the investment in detail and gives you some legal protections), and
- the securities do not have to be sold by an investment dealer registered with a securities regulatory authority.

There are restrictions on your ability to resell *exempt market securities*. *Exempt market securities* are more risky than other securities.

You will receive an offering memorandum and it is important that you read it.

Read the offering memorandum carefully because it has important information about the issuer and its securities. Keep the offering memorandum because you have rights based on it. Talk to a lawyer for details about these rights.

The securities you are buying are not listed

The securities you are buying are not listed on any stock exchange, and they may never be listed. You may never be able to sell these securities.

The issuer of your securities is a non-reporting issuer

A non-reporting issuer does not have to publish financial information or notify the public of changes in its business. You will not receive ongoing information about this issuer.

For more information on the *exempt market*, call your local securities regulatory authority.

**TERMS AND CONDITIONS OF SUBSCRIPTION FOR NATIONAL AND/OR QUEBEC CLASS UNITS OF
MAPLE LEAF SHORT DURATION 2016 ENERGY FLOW-THROUGH LIMITED PARTNERSHIP**

1. The Subscriber acknowledges that the sale and delivery of the Units by the Partnership to the Subscriber and participation in the Partnership is subject to:
 - (a) acceptance of this Subscription Agreement by Maple Leaf Short Duration 2016 Energy Flow-Through Management Corp. (the "General Partner") on behalf of the Partnership;
 - (b) the cheque or bank draft representing the Subscription Price being honoured upon presentment for payment;
 - (c) such sale being exempt from the prospectus filing requirements of applicable securities laws relating to the offering and sale of such Units; and,
 - (d) certain other conditions as set forth in the Offering Memorandum, the Partnership Agreement and the Subscription Agreement.

The acceptance of this Subscription shall be effective upon written endorsement of acceptance hereon by the General Partner.

2. The Subscriber agrees that this subscription is given for valuable consideration and shall not be withdrawn or revoked by the Subscriber except in the manner described under the caption "Purchasers' Rights" in the Offering Memorandum. The subscription funds are refundable only in the circumstances described in the Offering Memorandum.
3. The offering and sale of the Units is being made pursuant to exemptions (the "Exemptions") from the registration and prospectus requirements of applicable securities laws. The Subscriber acknowledges and agrees that the Partnership will rely on the representations and warranties contained in this Subscription Agreement and all Schedules hereto to determine the applicability of available Exemptions.

The Offering contemplated herein is not, and under no circumstances is to be construed as, a public offering of the Units. The Offering is not being made, and this subscription does not constitute, an offer to sell or the solicitation of an offer to buy the Units in any jurisdiction where, or to any person to whom, it is unlawful to make such offer or solicitation.

Subscribers must complete and execute this subscription, together with all applicable Appendices hereto and return them to the Partnership with a cheque or bank draft drawn on a Canadian chartered bank and made payable to the Partnership in the aggregate amount of the subscription funds therefore, or in such other manner as may be provided for by the Partnership. The subscription funds and documents delivered in connection herewith shall be held by the Partnership until all closing conditions have been satisfied or waived by the appropriate party.

A subscription will only be effective upon its acceptance by the Partnership. Subscriptions will only be accepted if the Partnership is satisfied that, and will be subject to a condition for the benefit of the Partnership that, the Offering can lawfully be made in the jurisdiction of residence of the Subscriber pursuant to an available Exemption and that all other applicable securities laws have been and will be complied with in connection with the proposed distribution.

The Partnership reserves the right to accept or reject any subscription in whole or in part. The Partnership shall have no liability whatsoever to any Subscriber in the event that any of the foregoing shall occur.

4. The Subscriber acknowledges and agrees that the Partnership may be required to provide applicable securities regulatory authorities with a list setting forth the identities of the beneficial purchasers of the Units. Notwithstanding that the Subscriber may be purchasing Units as agent on behalf of an undisclosed principal, the Subscriber agrees to provide, on request, particulars as to the identity of such undisclosed principal as may be required by the Partnership in order to comply with the foregoing.
5. The Subscriber agrees to comply with all relevant securities legislation concerning the purchase and any resale of the Units. The Subscriber acknowledges that the Units are subject to restrictions on resale as set out in National Instrument 45-102 Resale of Securities ("NI 45-102"). The Subscriber acknowledges that as the Partnership is not a "reporting issuer" (or equivalent thereof) in any jurisdiction, the Units are subject to an indefinite restriction on resale (i.e., a "hold period") under applicable securities laws and that it will not be able to resell any of the Units until expiration of the applicable hold period (which hold period will not commence to run until the Partnership has become a "reporting issuer" in a jurisdiction of Canada (which the Partnership has no obligation to become)) other than in accordance with limited exemptions under applicable securities legislation and regulatory policy. The Subscriber covenants and agrees to comply with such restrictions on resale.
6.
