Additional Notes on Tax Reporting

- **Reporting capital gains or losses:** Each shareholder is responsible for reporting the proper taxable capital gain or loss on their income tax return.
- **Account statement:** The ACB reported on your account statement may not accurately reflect the tax implications of the transfer of assets from the Limited Partnership to the Mutual Fund. The above table shows accurate ACB amounts.
- **Conversion factor:** To determine the number of Mutual Fund shares received after the rollover, multiply your number of Limited Partnership units by the conversion factor.

Maple Leaf reminds you that each individual's tax and investment planning situation is unique and professional advice should always be received from a qualified tax and/or investment advisor. We strongly recommend that you consult with your tax advisor to determine the optimal use of these tax deductions as well as the impact to you, if any, with respect to either alternative minimum tax or cumulative net investment losses.
