

Dear Securityholder:

As Chair of the Independent Review Committee (“IRC”) for the investment funds (collectively, the “Funds” and individually, a “Fund”) managed by CADO Investment Fund Management Inc. (the “Manager”), I am pleased to provide you with the third annual report to security holders of the Funds as required under National Instrument 81-107 *Independent Review Committee for Investment Funds* (“NI 81-107”) covering the year ended November 30, 2013 for the Maple Leaf Resource Class and the Maple Leaf Income Class and the year ended December 31, 2013 for all other Funds .

The IRC was established on October 22, 2010. The members of the IRC have expertise in a number of relevant fields, including financial services, investment management, other investment businesses, law and securities regulation. The mandate of the IRC is to provide advice to the Manager regarding any conflict of interest matter in mutual fund management that is referred to the IRC by the Manager and to give their approval or make a recommendation after considering the matter. A “conflict of interest matter” is a situation where a reasonable person would consider the Manager or an entity related to the Manager to have an interest that may conflict with the Manager’s ability to act in good faith and in the best interests of the Fund’s unitholders.

The IRC’s function is to determine whether a proposed action that the Manager refers to it as a potential conflict of interest, as defined in NI 81-107, achieves a fair and reasonable result for the investment fund. The IRC will, at least annually, review and assess the adequacy and effectiveness of the policies and procedures relating to conflict of interest matters in respect of the Funds, and will also conduct a self-assessment of the IRC’s independence, compensation and effectiveness. Under subsection 4.5(1) of NI 81-107, the IRC is required to report directly to the Funds’ principal regulator if the members become aware that the Manager has acted in a conflict of interest matter listed in subsection 5.2(1) contrary to a condition imposed by the IRC or by securities legislation. To date, no matter of this nature has come to the attention of the IRC.

The IRC looks forward to continuing to serve in the best interests of the Funds and working effectively with management for the Funds.

Liisa Atva

Chair of the Independent Review Committee
of investment funds managed by CADO Investment Management Inc.

Conflict of Interest Matters

The IRC is not aware of any instance in which the Manager, when acting in a conflict of interest matter, did not follow a recommendation of the IRC or meet a condition imposed by the IRC in its approval. The Manager has an obligation to notify the IRC of any such instances.

When a conflict of interest matter arises, the Manager of the Funds must refer the matter, along with its proposed action, to the IRC for its review and decision, unless there is a standing instruction to deal with it.

There were no conflict of interest matters not dealt with by way of standing instructions identified by the Manager for the IRC to consider during the year ended December 31, 2013.
