Current Offerings:

1. On editor mode, the hidden elements will be visible

FLOW-THROUGH FUNDS & PERFORMANCE

● Current Offerings ● Current Funds ● All Funds & Performance

2

2. To highlight or edit the hidden elements, you need to click its containers in the "Structure" panel on the right. If it is not visible, click the icon on the top left corner of the screen. You will know it is the container that you clicked when you see a grey outline around the area as shown below. Choose the main (or bigger=higher in hierarchy) container.
